

AO UK

Trauma Research Prize

AOUK invite applications for a research prize of £1,000. This is open to all surgeons in training, as well as operating room personnel. Entry is via submission of a 250-word abstract involving any aspect of musculoskeletal trauma (including hand, cranio maxillofacial ,veterinary and spine surgery). Successful candidates will be invited to provide manuscripts for review and present their work at the AOUK meeting in November. The submitted work will be assessed for originality, presentation and clinical application.

Abstracts should be sent to:

Mr Will Eardley
AOUK Chairman Research & Personal Development
email: aouki1@btconnect.com

The closing date for submissions is 1st September 2018
